# HOUSE REPUBLICAN CONFERENCE

House Republicans remain focused on solutions that will spur economic growth and create jobs for all Americans.

**GOP.GOV**

It's not fair that the status quo in Washington continues to make life difficult for hardworking taxpayers with new regulations, higher energy costs, and an ineffective, top-down energy plan.

This week the House will act to clear the way for more jobs by increasing American energy production as part of our all-of-the-above energy solution that will give all of us a more secure future.
